45 - 54 - 50%

9 – Potential Backlink sources:

Low budget:

Rankd SEO backlink and guest post database.

Backlinks: the database contains 600+ websites where you can build backlinks. Links include web 2.0's, article submission sites, social bookmarks, profile links, and more.

Guest posts: the database contains 1400+ websites in various niches that accept free and paid guest posts. More than 1000+ are free.

High budget:

Premium Limited PBN.

Link building is the backbone of SEO and high-quality backlinks can determine the success of your SEO campaigns.

Links from this Premium PBN will explode your results in SERPs. There are only up to 50 outgoing links per domain, which means the link juice from each domain is very strong. Results of this PBN speak for themselves.
